Helping our customers personalise their vehicles to reflect their personal style for more than 26 years.

Maxe Automotive Accessories is a proudly South African Company that manufactures a wide range of quality motor vehicle accessories that provide functionality and enhance aesthetics, for your LCV, SUV or Truck. For over 26 years Maxe have been designing, manufacturing and supplying innovative, quality approved products for various markets.

The only manufacturer in South Africa that has been supplying approved nudge bars to most of the major Motor Vehicle Manufacturers in South Africa for over 26 Years

Our promise to you:

Maxe places safety, durability, stringent engineering and quality control processes at the forefront of all our product design and production processes. All Maxe products are designed and tested to meet the specifications required by our Automotive Motor Vehicle Manufacturer (OEM) customers. Vehicle and product safety, compliance and conformance to specifications is a nonnegotiable, with zero compromise. This provides our clients with peace of mind when they are looking to enhance their vehicle or truck with Maxe products and accessories.

- Auto Grade Rust Resistant Stainless Steel and Black Coated Stainless Steel Accessories.
- Distributed and available directly through dealer networks or aftermarket fitment centres.
- Durability tested for all African conditions.
- Partnerships with a growing list of sub-Saharan African countries such as Angola, Botswana, Mozambique, Namibia, Swaziland, Zambia, Zimbabwe, Mauritius and more.
- One-stop shop solution for truck accessories.

For our fleet customers

Our state of the art Powder Coating Plant allows us to mix and match various coating colours to meet the demands from our customers who want to personalise the accessories to match the look and feel of their brand.

Colour Swatches

"One of the most pleasant experiences working with Maxe on our fleet of around 70 trucks. It was just pure professionalism, workmanship and quality. We walked away with our trucks looking incredible!" Supergroup

What sets Maxe apart from the rest:

- 25 years of manufacturing excellence
- Approved by most of the major automotive manufacturers in South Africa
- 25 years supplying approved nudge bars to the Automotive Manufacturers (OEMs)
- State of the art manufacturing facilities
- High level of technical and engineering expertise
- A stringent quality management system
- Maxe is a one-stop-shop with our vast range of automotive accessories
- Our bars are manufactured from automotive grade, rust resistant stainless steel.
- Technical representation in all main centres in South Africa
- As a member of KAP Limited (or Automotive... whichever is correct) , Maxe
- has strong corporate governance and business ethics
- Part of a JSE listed entity
- BBBEE Level 3 contributor

"I have been with Maxe for 17 years. One of my vehicles still has its Maxe bar and it still looks exceptionally good. That was a really great buy."

"I wanted quality, and that's why I went for a Maxe bar!"

"They are OE approved, so there must be a level of trust, and that's why I went for Maxe."

MAXE Warranty Policy & Liability Insurance

Aftermarket Product Range

Over and above MAXE's Warranty Policy below, MAXE also offers Liability Insurance, **covering Product Liability to the value of R250 000 000** for any single occurrence.

1. What is covered by the Warranty Policy?

- Covers any defects in materials used to manufacture the products.
- Covers any defects in workmanship under normal use.

2. Exclusions from the Warranty Policy?

- Normal wear and tear, e.g., stone chips, abrasive cleaning, industrial fallout resulting in contamination, etc.
- Product fitment not carried out in accordance with the steps specified in the fitting instructions including correct torque settings.
- Any modifications or alterations made to the product.

3. Products and duration covered by the Warranty Policy?

- Corrosion of stainless-steel bars = 5 years.
- Powder coated and electro plated mild steel brackets and components = 12 months.
- Tonneau Covers:
 - stitching is guaranteed against loosening and fraying for a period of 12 months.
 - The PVC cover is guaranteed for a period of 2 years for any environmentally induced failure
 - LDPE extrusions are guaranteed against loosening and tearing for a period of 12 months.
 - Velcro joints are guaranteed to sustain adhesion under normal use for 12 months provided they are kept clean.
 - Aluminium extrusions and cross supports are guaranteed against malfunction in normal operation for a period of 3 years.

4. How MAXE will resolve an approved warranty claim?

- The product/component will be repaired or exchanged for a new product/component via the fitment centre where the product was initially purchased.

5. What customers should do to exchange or get a refund for an approved warranty claim?

- The product can be returned to the original point of sale/fitment centre.
- Claims can be sent by e-mail (support@maxe.co.za) or communicated by phone (+27 31 713 2200). Please ensure all relevant documentation is on hand. Original invoice, proof of date of sale/fitment.
- A Maxe Technical Representative can be called to verify a claim.

Claims that are not accepted will be subject to shipping, handling and repacking fees.
